Electronic Component Distributor

SINCE 1980

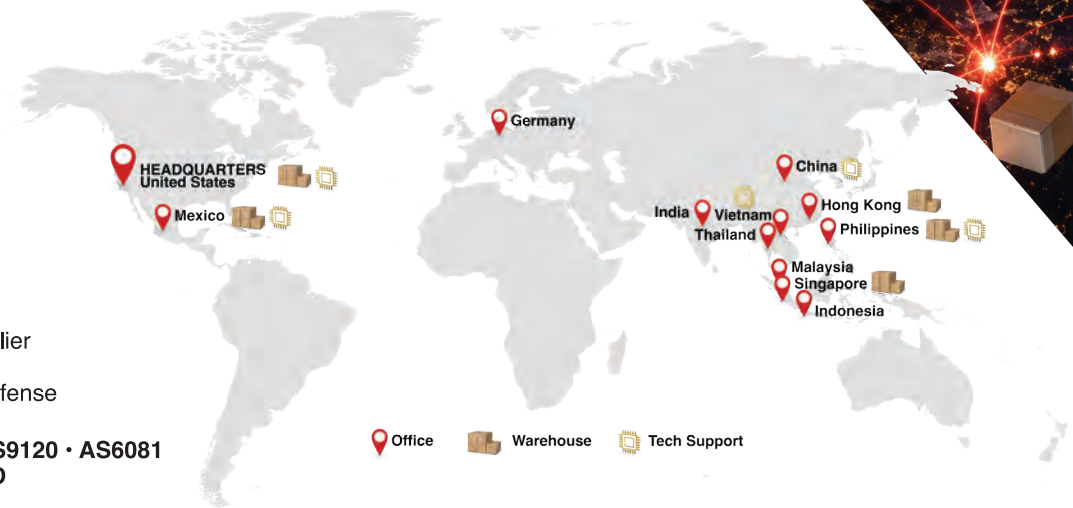

Supporting the global electronics supply chain with the components, technology, and expertise to keep business moving. Since 1980, IBS Electronics has evolved into a seamless global network combining traditional authorized distribution, global sourcing, data-driven solutions, and certified quality systems trusted by leading manufacturers and customers worldwide.

Global Reach
12 Offices Across the Americas, Asia & Europe

Expert Support
Global expertise with responsive local support.

Certified in Quality
Authorized Distribution
Certified Independent Supplier

Global Distribution

- Authorized Distribution & Global Sourcing
- Global Stock & Pricing
- Shortage & Allocation Support
- Obsolescence & EOL Solutions
- Expedite Lead Time

Supply Chain Solutions

- Alternatives & Value Engineering
- Inventory Management
- Vendor Consolidation
- PPV & Cost Reductions
- Excess Inventory & Recovery

Technology, Tools & AI

- Global Market Intelligence
- AI-Enabled Sourcing Tools
- Parametric Search & Compare Specs
- BOM Tool
- E-Commerce Website
